

# *Lytham Hall Community tree planting Commemoration Scheme*

We are pleased to announce the above scheme as part of the continuing improvement and tree planting within our 78 acre Grade 2 listed Historic Parkland and Gardens.

Donation will be recorded in a Special Record Book and will include full details of donor and dedication, tree/plant and location.

Prices will usually include our sourcing, planting and immediate aftercare. Timing will be seasonal or weather dependent, but please do not hesitate to ask for further details.

## **Planting options:-**

**£225** - Individual specimen Tree within the Parkland/Gardens

**£100** - Ornamental shrubs/groups of shrubs for specimen flowering or autumn colour etc within the main Parkland and Gardens.

**£50** - Hedges and woodland understory planting aimed at supporting wildlife and biodiversity.

We will be pleased to discuss bespoke, corporate and major project requests and planting locations which need to fall within the Lytham Hall Conservation Management Plan guidelines.
